ABC Class Display

☐ A

☐ B

☐ C

☐ Unclassified

Unclassified items represent inventory exposure outside the current sales-based ABC logic and should be reviewed separately from standard C-class products.

*For Unclassified items, dead stock ratios may reach 100% because the denominator is limited to unclassified ending inventory only.

Store number	brand	ABC Class Display	Current Stock Qty	Sales Qty Last 90 Days	Dead Stock Value...	Inventory Status	Stock Record Status	SKU Lifecycle Status
